

BUOY BUNGALOW BOAT REQUEST / WAIVER

Lake Florence - Boat Information, Approval & Guest Agreement

PART 1 - BOAT INFORMATION & APPROVAL REQUEST

This request must be reviewed and approved before launch, docking or lift use. Completion of this form alone does not constitute approval.

Wave-enhancing boats are not permitted on Lake Florence. If wake surfing or other activities that rely on intentionally enhanced wakes are your primary interest, please choose one of the area's larger lakes.

Current property limits: 4,000 lb maximum lift capacity; 21' maximum boat length; 96" maximum approved beam; 100" maximum boathouse width; 6' maximum vertical clearance. Final approval depends on overall fit and operating configuration.

For mid-term rental stays of 21 days or longer, once the approved boat is launched onto Lake Florence, it is expected to remain on Lake Florence for the duration of the guest's stay unless otherwise agreed upon in advance.
